## 1502 Emerald

In its creation, “Fina Fuerte” (Fine Strong) was the main quality that most inspired us. Our master blender had created this cigar from a combination of carefully selected and aged tobacco leaves. It has a subtle strength, with flavor and aroma that could only be achieved with the blend of Corajo Habano de Nicaragua, long fillers from San Andres – Mexico and fields from Esteli and Condega in Nicaragua.

## 1502 Ruby

It is the blend created for the discerning smoker’s delight, one that recognizes a great cigar. Its aesthetic presentation reveals the art of the handcraftsmanship that each of our cigar makers have achieved after many years of experience. It yields all the flavor and aroma from de valley of Jalapa and Esteli in Nicaragua, wrapped with a beautiful dark wrapper from Ecuador.
